Car Show is scheduled for August 14. Several issues need to be addressed prior to actual planning. It was decided to convene the committee on April 15, 2010 at 7:30 p.m. after some questions were addressed.

Old Business:

Waters Park Memorial: We will write for a grant from the Henry County Community Foundation to finance this project. Steve also has a memorial emblem that may be useful in raising funds from the public. He will approach the American Legion to see if they will support that idea.

Bell Tower Walkway: Brank reported that he thinks the project can be done for as little as \$500 if we get equipment support from the town.

Chili Luncheon: Everything is set for this event on March 27, 2010. Melva Perkins will not be able to assist due to Lois's illness. Kathryn Reddington will be available to take money.
